### GRATITUDE

BY HIS DIVINE GRACE SUDHANSHUJI MAHARAJ

“Oh Pure and Loving Supreme Being! The Creator of the entire universe I bow down in reverence and welcome you within my heart. Dear Lord! You have bestowed so much kindness on me for which I am not worthy. You are so generous and your generosity and kindness has been pouring on me continuously. I thank you Lord with all my heart.

Oh Lord! You are Omnipresent! There is no corner or space in the world where you are not present. You prevail in the depths of the oceans to the highest peaks of the mountains, wherever our imaginations can reach you are present everywhere, you dwell in every living form. My every breath, every thought, every action is known to you, you are the sole creator of each being, sustainer of all life form and when I finish the journey of my life I become one with you., one who abides by your rules truly achieves his goals of becoming one with you and finds eternal peace and happiness.

Dear Lord! I seek that divine knowledge, please give me the understanding and courage to follow your rules, let all my karmas be good, pure, kind and selfless. Let all my actions be ones that bring me closer to you, not away from you. May my journey always be towards you, my eyes always seeing goodness, not weakness in others, my hands always eager to serve and my speech be pure, always singing your glory. Please grant me strength. Please fulfill my humble request.

Om Shanti! Shanti! Shanti!”
